

Whole Home Water Filtration System by Hayes Plumbing

Refreshing & Clean without the Chlorine!

A Whole Home Water Filtration system installed to reduce the bad tastes, odours and dry skin often associated with chlorine/chloramine and algae blooms etc in our water supply. **NO NEED FOR BOTTLED WATER!** Enjoy a bath without the harsh smell of a public pool! Cartridge is effective at reducing chlorine taste and odour for up to 40,000 gallons/151,400 litres.

We can supply and install this system from \$869.95 plus tax
